

**Certification**  
**Solid Wood Packing Materials from China/Hong Kong**

I, ..... , **DECLARE THAT:**

Please check one of these three options and attach any applicable substantive documents

- 1: This shipment does not contain solid wood packing materials (i.e. wooden pallets, crates dunnage, etc.) which were made in China and/or Hong Kong. My certification is based on the fact that:
- Please check one
- a) Our company has repackaged the goods using packing materials not made in China/Hong Kong, or
  - b) The shipment contains no solid wood packing materials (i.e. wood pallets/crates, etc) of any kind
  - c) Other:
- 2: This shipment is exempt from the reporting requirements for Solid Wood Packing Materials because the goods were exported from China/Hong Kong prior to December 17, 1998, the effective date of this requirement. I have attached substantiation of the export date from China/Hong Kong (e.g. bill of lading, etc) which I will also retain in my files.
- 3: The solid wood packing materials from China/Hong Kong in this shipment have been heat treated, fumigated, or treated with preservatives prior to their export from China/Hong Kong.  
The required certification from the government of China/Hong Kong is attached, consisting of the phytosanitary certificate, treatment certificate (Form P-10), or other documentation (please specify:)
